Important informations:

General

- You have registered for the anglophone part of the course (“Munich Brain Course”). Unfortunately, it is not possible to change to the German lectures during the course for organizational reasons.
- The wearing of a FFP2 mask is mandatory during the whole course (lectures, demonstration, hands-on sessions).
- The **Makropathologische Demonstration** (only in German) on Saturday morning take place at the „Großer Hörsaal“ for both courses (see program).
- The **certificates of attendance** you will receive at the end of the Munich Brain Course (Saturday afternoon).
- This course is accredited with **18 CME points** of the Bayerische Landesärztekammer.
- Please **register in the attendance lists** on each course day.

Dissection part

- Because of exposure to formaldehyde used for brain tissue preservation **pregnant women** are not allowed to participate in the dissections.
- The dissections take place in the anatomy theater of the institute (“Präpariersaal”). Due to possibly low temperatures in spring we recommend to bring warm clothing.
- You will be provided with **examination gloves and disposable aprons**. There is no need to bring your own equipment. Please, notify us of **latex allergies** so that we can provide appropriate gloves
